Presenting  
**Edumaxx**

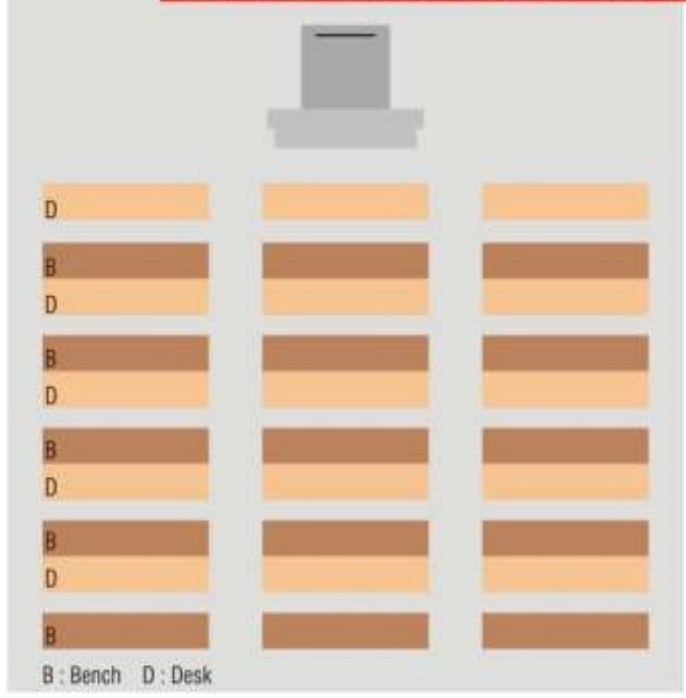

It is a proven fact that students concentrate and learn better when their learning environment is designed right. With the number of students increasing geometrically, both in schools and colleges, organizing classroom space is an ongoing challenge. The classroom has also become a multi-use environment, including but not limited to seminars, venue for contact programs and group study. The requirement now is for an innovative design solution to facilitate a comfortable and versatile learning environment. And the answer is Edumaxx!

A smart and cost-effective way to furnish any new classroom, or give an old one a fresh and new look, Edumaxx makes the classroom classic yet contemporary. And helps gain over **25% of classroom space**, even as the students realise better comfort and learning environment!
