Auditoria Seating
Enjoy the show

Ever since the stone benches of romans, auditoria seating has been evolving itself and today is one of the most critical components of entertainment / education. After all, the comfort of a well-designed chair is essential to appreciate productions / lectures that often last several hours. It's with this in mind that the Ergomaxx auditoria solution has been developed. Durable and comfortable, with plush seats in ergonomic shapes. Designs that are more like lounge chairs than stadia seating, built with sophisticated materials, to make every aural and visual experience that much more enjoyable.
